

12th Spanish-Portuguese Assembly of Geodesy and Geophysics (AHPGG)

June 16-19, 2026

Instructions for authors:

To participate in the 12th Spanish-Portuguese Assembly of Geodesy and Geophysics (AHPGG 2026), authors must submit an abstract of no more than 300 words before the abstract submission deadline, using the following templates:

- [Template for abstracts in Portuguese](#)
- [Template for abstracts in Spanish](#)
- [Template for abstracts in English](#)

The paper must be submitted through the Universidad Politécnica de Madrid's Event Management System.

This guide covers the registration process in UPM's Event Management System, the submission of the abstract, and registration for AHPGG 2026.

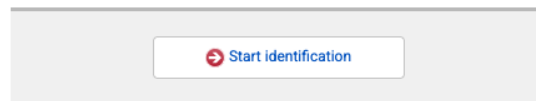

1. Registration in UPM's Event Management System

UPM's Event Management System is located at the following address:

<http://eventos.upm.es/login/index/139655.html>

If the participant has an email address belonging to a Spanish public entity, they can identify themselves in the section on the right, using the RedIRIS system:

UNIVERSITIES: WITH YOUR **UNIVERSITY ACCOUNT**
Sign in with RedIRIS (only users from Spain)

Otherwise (non-Spanish participants, or Spanish participants belonging to other entities) you must complete the registration process on the platform using the form on the left:

Create your account!
Complete the following form to create a new account

Name

Surname

Email

I'm not a robot  reCAPTCHA
Privacy - Terms

  ⓘ We have sent you an email so you can activate your account and start participating.

Once you have submitted the form, you will need to check your email to activate your account.

Welcome to the event management platform, the place where you can publish scientific, academic and professional events linked to Universidad Politécnica de Madrid. With this platform you can also search for events, register in them and spread their activity or contact with other people.

You can access Eventos securely with your email account from Universidad Politécnica de Madrid using the address <http://eventos.upm.es>. You can learn other forms of access from the section "My Profile". We hope this service will be useful for you, if you have any doubt or suggestion, please, contact us in the address: <http://eventos.upm.es/contact.html>

Remember to activate your account by completing the register on the Universidad Politécnica de Madrid events platform

[Activate account](#)

Once you click the "Activate account" button, you will be redirected to a website where you can set your password:

Indicate your name

Name

Surname

Password

For a secure password, we recommend using at least eight characters with a combination of letters, numbers and symbols.

Repeat password

Yes He leído y acepto la política de privacidad.

Yes Acepto recibir, por correo electrónico, información de eventos realizados por "Universidad Politécnica de Madrid"

Once this registration is complete, you will be automatically redirected to the [AHPGG website in UPM's Event Management System](#), and you can start the processes of "Submitting and abstract" and "Registration in AHPGG (Enrolment)"

2. Submitting an abstract

Once the previous step, registration in UPM's Event Management System, is completed, the following website allows the submission of abstracts:

<https://eventos.upm.es/139655/upload/12o-asamblea-hispano-portuguesa-de-geodesia-y-geofisica-ahpgg.html>

In the abstract submission form, you will find a first block of options:

Document track

04 Vulcanología

i The paper submission period is already open. You will be able to update the document as many times as necessary as long as the submission periods are open.

Document title

Paper

[Upload paper](#)

Tipo de participación deseada **Required**

- Presentación oral
 Poster

Temática secundaria

- 01 Geodesia
 02 Sismología y Física del Interior de la Tierra
 03 Geomagnetismo y Aeronomía
 04 Vulcanología
 05 Meteorología y Ciencias Atmosféricas
 06 Oceanografía Física
 07 Hidrología
 08 Geofísica Aplicada
 09 Ciencias de la Criósfera

Please indicate in “Document track” the session to which you would like to submit your work. **This will be the main theme of your abstract.**

Also indicate the title of your abstract and upload it through the “Paper” field.

Remember to use the [official AHPGG 2026 abstract template](#). We have linked to it at the beginning of this guide.

Please select whether you prefer to participate in the AHPGG by presenting your work orally or as a poster.

Finally, and optionally, you can select a secondary theme for your work if you believe it falls under a different theme in addition to the main one.

Below is another set of options where you can register all authors of the work, if you wish.

Author 1:

Author name and surname (Required)

Contact email address (Required)

Send notifications to this author (Optional)

Author 2:

[Remove](#)

Author name and surname (Required)

Contact email address (Required)

Send notifications to this author (Optional)

[Add author](#)

[Continue](#)

Once you click “Continue”, the communication will be sent to the event management system, and you will be able to view it in the *Abstracts* tab:

My documents

| Document title | Status | Actions |
|--|----------|--------------|
|  prueba  temp_1.pdf | Received | Update paper |

You can update the abstract until the abstract submission deadline.

3. Registration in AHPGG 2026 (Enrolment)

To participate in AHPGG 2026, you need to pay the registration fee. Please return to UPM's Event Management System page; the address is provided below:

<https://short.upm.es/7ede2>

There you will find the following registration information:

| | |
|--|-------------|
| Student registration* To prove student status, the receipt or proof of enrollment for the current course (including student details, degree or postgraduate level, subjects and payment confirmation) must be attached at the end of the registration form. | 150,00 € |
| Until May 15th: Early bird registration* | 250,00 € |
| Starting May 15th: Regular registration* * Student, early bird and regular registrations include assembly documentation, access to scientific sessions and workshops, oral or poster presentation of the submitted communication, publication of the communication in the assembly proceedings, coffee breaks, visit to the Royal Astronomical Observatory of Madrid with catering, visit to ETSI Mines and Energy – UPM with cocktail dinner. | 300,00 € |
| Limited Registration for Undergraduate or Master's Students (No Visits) This registration option is exclusively for undergraduate and master's students and includes conference materials, access to scientific sessions and workshops, oral or poster presentation of the submitted paper, publication of the paper in the conference proceedings, and coffee breaks. It does NOT include: visits to Royal Astronomical Observatory of Madrid and ETSI Minas, or associated catering. | 75,00 € |
| Companion registration Companion registration includes only ROAM and ETSIME visits with catering and cocktail dinner respectively | 100,00 € |

Choose the registration type according to your profile.

Registration fees will be paid through the Web Eventos-UPM payment platform. Click the blue "ENROLL" button on the right.
